Subject: Notice of Required Supplies and Service

To Whom it May Concern.

Barilla America is a critical manufacturer of Pasta for the United States and Canada. As you are aware, the highest levels of Federal Govt. have stated it is imperative for the food supply chain to remain fully functioning. There are critical services that are required to ensure the continuity of our supply chain to consumers.

To ensure compliance with our regulatory commitments for the manufacturing of our product we are reliant on key suppliers. Please be advised that CITY Laundering Co. is recognized by Barilla as a critical supplier to our manufacturing operation in Ames, Iowa.

We are requesting that they are allowed to maintain a consistent production schedule to ensure the continuity of services to our facility.

Sincerely,

**To whom it may concern,**

As recently emphasized by the White House, it is imperative that the U.S. food supply chain remain fully functioning. Iowa Pacific Processors Inc. plays an essential part in keeping the supply chain for U.S. fresh beef functioning normally, providing products to all 50 states for retail, food service and further processing channels.

For Iowa Pacific Processors Inc. to maintain production, it is imperative that regulatory entities are aware that we are completely reliant on our key suppliers to continue to deliver the packaging, production and equipment services required to support our daily operations.

We are extending notice that CITY Laundering Co. is a recognized critical supplier to Iowa Pacific Processor's daily operations. Therefore, we are requesting that they are allowed to maintain a full production schedule that will ensure we have access to the critical supplies we need to continue our full production schedule.

Thank you for your understanding and support.

**Best Regards,**

1. Presidential Policy Directive 21 (PPD-21) designates the food and agriculture sector as a critical infrastructure sector whose assets, systems, and networks are considered so vital that their incapacitation or destruction would have a debilitating effect on security, national economic security, national public health, or safety.
2. The President's Coronavirus Guidance published on March 16, 2020 instructs employees of Critical Infrastructure Industries, such as the food and agriculture sector, to maintain normal work patterns during the global coronavirus outbreak.
3. This document certifies that this vehicle is transporting a shipment of food and agricultural products within a sector that has been designated as critical infrastructure, the continued operation of which is vital for security, national economic security, national public health, and safety.
4. Accordingly, it is appropriate in light of the President's Coronavirus Guidance to allow this shipment to proceed in the federal interests of protecting the nation's food supply chain.

I am writing to you to express the importance of the essential service CITY Laundering Co. provides for us.
